

How to Register:

1) Create an account

The screenshot shows the homepage of the workshop registration site. The page title is "The First Workshop on Finite Element Methods for PDEs" at the University of Kurdistan. A navigation menu includes Home, Organizing Committee, Invited Speakers, Abstracts of Talks, Important Dates, Registration, Contact Us, and Map. The main content area features a banner with the workshop title, dates (April 5-7, 2016), and location (Department of Mathematics, University of Kurdistan). Below the banner are two buttons: "Register" and "Login". The "Register" button is circled in red, and a red cloud-shaped callout with the word "Click" points to it. To the right of the banner is a large image of a person performing a handstand on a sculpture. Below the banner, there is a "Count down" section showing 154 Days, 15 Hours, 51 Minutes, and 45 Seconds until the conference starts. There is also a "Workshops" section listing the current workshop. At the bottom right, there is a logo for "سامانه مدیریت همایش (دانشگاه کردستان)".

2) Fill in the fields.

The screenshot shows the registration form page. The form is divided into four sections: "Birth certificate info", "Education & job info", "Contact info", and "Account Info". The "Birth certificate info" section includes fields for National code (with a note "Just for iranians"), First name (Farsi), Last name (Farsi), First name (English), Last name (English), and Gender. The "Education & job info" section includes fields for Degree, Field, University, and Org. The "Contact info" section includes fields for Email and Mobile (with a dropdown menu set to "09"). The "Account Info" section includes fields for Username, Password, and Retype password. At the bottom of the form, the "Register" button is circled in red, and a red cloud-shaped callout with the word "Click" points to it.
