

CALL FOR PAPERS

SGC

Smart Grid Conference

2018

28-29 Nov, Kurdistan, Iran

▶ Iranian Smart Grid Conference

▶ Sanandaj, Kurdistan, Iran, 28-29 Nov, 2018

The 2018 (8th) Iranian Smart Grid Conference (SGC) will be held on November 28th and 29th, in Sanandaj, Kurdistan, Iran, organized by University of Kurdistan (UOK) and Smart/Micro Grids Research Center (SMGRC) in cooperation of the Iranian Society of Smart Grid.

The SGC brings together an international community of researchers, practitioners and experts to discuss the latest findings in the scope of smart grids. The conference will feature various kinds of presentations (invited, technical paper and etc.), workshops, exhibits and discussion panels by experts representing both industry and academia.

Prospective researchers and experts are invited to submit original contributions or tutorials containing the latest finding about the conference topics to SGC2018 via the conference online submission system.

Please visit <http://sgc2018.uok.ac.ir> for more information and to register your interest.

We are looking forward to meeting you at the SGC 2018.

Welcome to Sanandaj!
