

CALL FOR WORKSHOP

SGC

Smart Grid Conference

2018

28-29 Nov, Kurdistan, Iran

▶ Iranian Smart Grid Conference

▶ Sanandaj, Kurdistan, Iran, 28-29 Nov, 2018

The 2018 (8th) Iranian Smart Grid Conference (SGC) will be held on Wednesday through Thursday, November 28-29 at university of Kurdistan located at Sanandaj, Kurdistan, Iran. The 8th SGC will be organized by university of Kurdistan and Smart/Micro Grid Research Center (SMGRC) and cooperation of the Iranian Society of Smart Grid.

8th SGC (2018) is a place for specialists, researchers and practitioners in smart grid and the state-of-the-art topics to present papers and attend presentations, workshops and exhibits from both industry and academia. The conference aims to be a meeting forum for researchers, developers and specialists. SGC encourage papers on all topics of the conference for interdisciplinary discussions of new ideas, research, development, applications and the latest advances in the field of smart grids.

Workshops to be held during the conference are solicited on all related topics.

Proposals for workshops addressing novel control methodologies and non-standard control applications, as well as workshops with strong tutorial value are encouraged.

Please visit <https://conf.uok.ac.ir/sgc2018/Programs/Tutorials-Workshops.aspx> for more information and to register your interest.

Key Dates of SGC 2018

Proposal Submission Ends	29 September
Conference Opens	28 November
Conference Closes	29 November

Topics

Physical, Cyber and System Security for Smart Grids
Reliability and Energy Management in Smart Grids
Smart Metering Infrastructure and Automation
Communication Systems and Information Technologies for Smart Grids
Distributed Generations, Renewable Energy Resources, Energy Hub
Microgrids and Islanding Operation
Smart City and Internet of Things
Wide-Area Monitoring, Control, and Protection
Demand Side Management, Smart Homes/Buildings, Zero Carbon Communities
Power Electronics Applications in Smart/Micro Grids
Smart Grid Regulation, Standards, and Codes
Electric vehicles and system integration

Organising Committee

 Prof. Hassan Bevrani
 General Chair

 Dr. Qobad Shafiee
 Technical Committee Chair

 Dr. Hêmin Golpîra
 Executive Committee Chair

 Dr. Navid Rezaei
 Publications Chair

 Dr. Farzad Hossein panahi
 Networking Chair

 Dr. Masood Ebrahimi
 Industrial Partnership Chair

 Dr. Fardin Akhlaghian Tab
 Honor Chair

 Dr. Yazdan Batmani
 Executive Committee Chair

 Dr. Mehrdad Gholami
 Finance Chair and Treasurer

 Dr. Hadi Tarimoradi
 Exhibit and Sponsorship Chair

 Dr. Rahmatoallah Mirzaei
 Workshop/Tutorial Chair

 Dr. Roonak Daghigh
 Industrial Partnership Chair
